Move-In Day Step By Step
On Friday, August 17:

• Odd-numbered floors will be able to check in between 9 am – 1 pm

• Even-numbered floors will be able to check in between 1 – 5 pm

When you arrive at University Towers, you will be able to temporarily park in front of the building or in our parking deck to unload your belongings. Please do not leave your car unattended at this time. After unloading your belongings, please move your vehicle to an upper level in the deck to make space available for new arrivals. Raleigh police officers will be directing traffic.

STEP 1 Check in at the registration desk in the first floor lobby. MAKE SURE TO BRING A PHOTO ID WITH YOU TO CONFIRM YOUR IDENTITY. At that time you will receive a registration card with further information regarding what we need from you in order to complete the check-in process.

STEP 2 Proceed to the first floor study lounge. There we will ensure you are properly registered. You will then meet with your Community Assistant and pick up your room condition packet and keys. You will also acknowledge and sign an important Rules and Regulations agreement.

STEP 3 If applicable, pick up your parking permit and/or register your bicycle.

STEP 4 Feel free to start moving into your room.

STEP 5 Pick up your UT ID card! If you submitted a photo online prior to move-in, your card is ready for pickup. UT ID cards may be picked up on the 9th floor between the hours of 9am and 5pm. If you did not submit a photo online, please proceed to 9th floor to have your photo taken and card issued.

STEP 6 Attend your mandatory hall meeting on Sunday evening. Your meeting time will be posted next to your Community Assistant’s door.

Directions
University Towers is located on 111 Friendly Drive directly behind Zaxby’s on Hillsborough Street.

Traveling West on I-40  Take exit 205, the Gorman Street exit, and continue straight. Turn right onto Hillsborough Street and then turn right at the 2nd light onto Friendly Drive.

Traveling East on I-40  Take exit 288, the Wade Avenue exit, and continue straight. Turn right at the 4th stoplight on Dixie Trail. Continue straight on Dixie Trail—Dixie will run into Hillsborough Street. Go straight through the stoplight at the Hillsborough Street intersection. UT will be on your left.

Try to avoid driving through NCSU’s campus because of the on-campus housing traffic. Please remember not to park in the Reserved spaces, Handicap spaces or the Fire Lanes at University Towers. You will be able to park in our parking deck during check-in. Please park only in spaces offered by UT as local businesses will tow. Have a safe trip!

Packing Tips

Remember to pack your things in boxes that are easy to carry. Try to distribute the weight evenly in several different boxes and plan how you will transport your belongings. It is a good idea to bring a small moving cart or hand truck on Move-In Day. It will help make your move much quicker and easier.

Dining

Once you are finished checking in, we invite you and your family to the Dining Hall on the 9th floor for a complimentary meal. The Dining Center hours of operation are 9am-7pm Friday, August 17th – Sunday, August 19th. You will receive meal passes for the complimentary meal at check-in.

Community Assistant

Community Assistants are student members of the UT staff who live on each floor with the residents. CA’s have many different roles and responsibilities. They plan social and educational events for their residents as well as enforce the rules and regulations of UT and the NCSU Student Code. Your CA will be available to answer any questions you have on Move-In Day and throughout the year.

Your New Address

When you receive your room number, you will have all the information you need for your new address. Your friends and family can address your mail as follows:

Your Name

Internet Access

All resident rooms are equipped with an Ethernet port for each student to connect to the internet. You will need a computer equipped with a network card and an Ethernet cable.

University Towers also has a building-wide wireless network. The Ethernet port connection is recommended for heavier bandwidth uses such as online gaming, video streaming, and for Web Assign homework sessions as a wired connection is always more stable than a wireless network.
