

North Carolina State University 2025-2026 University Housing Agreement

1.0 AGREEMENT:

NC State University Housing agrees to provide housing for the residents in either a residence hall, in Wolf Village Apartments, Wolf Ridge Apartments, ES King Village, Western Manor or Coastal Quarters at Morehead City based upon established assignment criteria. The applicant indicates their acceptance of the terms of this Agreement via their electronic signature on the housing application. Students under the age of 18 are required to have a parent/guardian complete and submit the parental approval form which is embedded in the housing application. Applicants completing a housing application are requesting to be assigned housing.

Employees or students with families applying to live at ES King or Western Manor – all additional occupants must be listed on the housing application and comply with all the terms of the Agreement and the NC State Community Standards.

2.0 NOTIFICATION AND COMMUNICATION:

University Housing will send correspondence to the resident's NC State email account. If University Housing does not have a NC State email address for the resident, University Housing will use the email address provided on the resident's Housing Application. Because this Agreement is between the resident and NC State, information related to the assignment, including but not limited to physical location of assignment, roommate information, the room change process, or housing appeal, will only be discussed with the resident unless a parental waiver is completed for students under the age of 18. All housing assignments are posted in the resident's MyPack Portal account. The assignment posted in MyPack Portal supersedes any assignment(s) communicated via email, over the phone, or otherwise by any representative of NC State. University Housing shall not be held responsible for not communicating an assignment to the resident outside of MyPack Portal.

3.0 PERIOD OF AGREEMENT:

3.1 The term of this Agreement begins once an applicant is assigned to housing, accepts a housing offer or selects a space during the annual room selection process (as an individual or as part of a roommate group) and continues throughout the full ACADEMIC YEAR (fall and spring), unless otherwise noted. An academic year is defined as the fall and spring semester, not inclusive of winter break and summer terms. The housing schedule is located on the University Housing website.

3.2 ES King Village and Western Manor agreements are for the full academic year and includes the winter break with the option to extend through the summer based on space availability and eligibility. This does not apply to residents assigned to the A, B, C, D and O buildings in ES King Village.

3.3 Coastal Quarter agreements are on a semester basis unless prior arrangements have been made with University Housing.

3.4 Residents who are graduating, participating in a study abroad program, participating in a co-op, or will be withdrawing from the university must submit a housing cancellation request via MyPack Portal and vacate their assignment according to the University Housing official closing schedule or as instructed by University Housing. Employees who are no longer employed by NC State must also submit a cancellation request and vacate their assignment within 48 hours following the last day of their employment.

3.5 With the exception of residents on an ES King and Western Manor term agreement, Winter Break housing is a separate term and residents requesting to remain in housing for the Winter Break will be billed an additional charge.

3.6 Failure to cancel housing, file a live-on appeal, check-in, pick up a key, or occupy the assigned space does not release the resident from this Agreement, including payment of all fees related to housing.

3.7 The term of this Agreement will be extended to cover the summer housing period for residents who request and are assigned to summer housing.

4.0 ELIGIBILITY FOR UNIVERSITY HOUSING:

4.1 Assignment priority for housing is given to full-time, matriculated, degree-seeking students. Undergraduate students must be enrolled for a minimum of twelve (12) credit hours per term and graduate students a minimum of nine (9) credit hours per term.

4.2 Students currently residing in University Housing who are approved by the University to drop to part-time status may be allowed to remain in University Housing. Approval to remain in housing must come from the Director for Administration and Occupancy Management or their designee.

4.3 Non-degree and/or part-time students working toward a degree may be assigned based on available space.

4.4 Housing is available for all eligible applicants regardless of age, color, disability, gender identity, genetic information, national origin, race, religion, sex, sexual orientation, or veteran status.

4.5 At its sole discretion, NC State may deny housing to applicants who have been charged with or convicted of a felony or are a significant risk to the safety or health of the residential community.

4.6 To be eligible for housing, employees must be identified in the University Human Resources payroll system as .5 FTE or greater, active Research Scholars, or Postdoctoral. Employees are only eligible to apply for housing at ES King Village or Western Manor.

4.7 To be eligible for Summer Housing, students must be enrolled in summer classes, participating in a co-op, internship or be employed by NC State

5.0 HOUSING COSTS:

Housing costs are billed by the University Cashier's Office for each term. Costs are subject to change annually. Payments must be made in accordance with Cashier's Office deadlines. Failure to make timely payment of housing costs may result in termination of this Agreement by NC State University, resulting in immediate removal from the housing facility. Students have the option to set up a payment plan through the University Cashier's Office.

6.0 ROOM ASSIGNMENTS:

6.1 Rooms shall be occupied only by the resident(s) assigned to them by University Housing.

6.2 Assignments are non-transferable. Subletting is not permitted.

6.3 Keys will only be issued to the authorized residents of the assigned housing. University Housing staff are not permitted to issue a key to a friend, family member, or designee. Residents are prohibited from giving their keys to anyone who is not an authorized occupant.

6.4 Occupancy is defined as the number of people assigned to a bedroom; residence halls are either single or double occupancy, Wolf Village and Wolf Ridge are all single occupancy bedrooms, ES King Village, Western Manor and Coastal Quarters are single or double bedrooms.

6.5 Students or employees assigned to ES King Village or Western Manor may have a spouse and/or legal dependents assigned to the apartment with prior approval from University Housing. Friends, extended family members or other NC State students are not eligible to be an additional occupant unless the individual is a spouse and/or legal dependent of the primary applicant. The total number of residents, including the primary resident and all additional occupants, in one apartment cannot exceed the occupancy limit for the type of apartment, as outlined on the University Housing website.

6.6 NC State housing assignments are made without regard to age, color, disability, gender identity, genetic information, national origin, race, religion, sex, sexual orientation, or veteran status.

6.7 Roommate Preferences: While University Housing strives to meet resident's requests for a preferred roommate, this Agreement does not guarantee such an assignment. Agreements will not be terminated and refunds will not be issued if preferred roommate requests cannot be granted.

6.8 Room/Roommate Changes: Assignment changes must be first approved by University Housing. Residents wishing to change a room assignment or roommate must complete the room change request in MyPack Portal. Submitting a request does not guarantee a change will be granted. Residents changing assignments without permission from University Housing may be charged for an improper check out and be required to move back to the official assignment.

6.9 University Housing may move residents for consolidation, disciplinary action, facility failure, or other reasons in response to unforeseen circumstances at its sole discretion.

6.10 Residents moving from one University-owned housing facility to another are bound to the applicable agreement/community standards/costs for the new facility assignment. Residents may also be responsible for any applicable termination charges resulting from the assignment transfer.

6.11 A qualified student with a disability who seeks reasonable accommodation in housing must register with the Disability Resources Office. The student should notify Housing by indicating the requested accommodation on their application or in a written request to the Housing Office by May 17 for the fall semester and November 2 for the spring semester. Applications submitted after these dates will be considered, however, NC State University cannot guarantee that it will be able to meet late applicants' accommodation needs, including any needs that develop during the semester. Once the information is received, it shall be reviewed with relevant NC State officials, as appropriate (e.g. Disability Resources Office, Campus Health Services, the student's academic advisor, etc.) and the student shall be informed of the decision in writing.

6.12 NC State Employees assigned to ES King Village or Western Manor and University Housing student staff seeking housing accommodations including Assistance Animal approval must work through the Office of Equal Opportunity (OEO) for housing accommodation approval.

7.0 VACANCIES

7.1 University Housing reserves the right to assign residents to any available bed space. If a vacancy exists in a double occupancy room, the resident assigned to the room must maintain the room in a manner that would permit another resident to move in immediately and without prior notification.

7.2 Residents who engage in conduct designed or intended to dissuade or intimidate another resident from moving into a room or who otherwise attempt to manipulate the housing assignment process may be subject to referral to the Office of Student Conduct.

7.3 Consolidation – University Housing reserves the right to consolidate residents without roommates in order to create housing options for incoming residents and returning residents and to maximize the use of available spaces in housing.

8.0 DAMAGE CHARGES:

8.1 Charges for loss or damage to rooms, suites, or apartments shall be assessed to the resident(s) of that room, suite, or apartment. Charges for loss or damages to common areas not assessed to a particular individual may be charged against the residential unit (floor, suite, apartment or building).

8.2 Keys remain the property of NC State and must be returned when residents move out of their room, suites or apartments. Failure to return keys shall result in charges to the resident to cover the cost of replacement.

8.3 Upon check-in, residents must report room damages, if any, within 48 hours by submitting a Work Request. Otherwise, residents will be charged for damages noted at any time during the term of this Agreement or at check-out that were not reported at check-in. Residents are liable for the condition of their rooms and room furnishings that are assigned to them and shall reimburse NC State for all damage to or loss of these accommodations and furnishings, ordinary wear and tear excepted. Residents of an apartment, floor, or building may also be required to share in the expense of repair or replacement of any property or cleaning in areas commonly used by the residents. Housing shall assess charges against the resident and the resident agrees to pay such damages to NC State upon demand. Housing shall determine the amount of such loss or damage, selection of repair method, and scheduling of repair, at its sole discretion.

9.0 RIGHT OF ENTRY:

9.1 NC State reserves the right to enter rooms or apartments for the following reasons: take inventory, fire protection, sanitation, safety, maintenance, deep cleaning, rule enforcement, inspection, make repairs, evaluate conditions that could affect the health or safety of residents, manage rooms in the event

of an emergency, or for any other purpose in accordance with law and/or NC State policy. The resident is not required to be present at the time of entry.

9.2 University Housing will enter a room or apartment if a roommate/apartment mate moves out to inspect for damages/loss and to ensure space is available for a new occupant.

10.0 Abandoned Property

Any personal property, including but not limited to, cooking supplies, furniture, clothes or electronics left by a resident at the conclusion or termination of a housing agreement, shall be deemed abandoned property. The University reserves the right to determine the appropriate disposition of any abandoned property, which may include using, disposing of or donating the abandoned property. The resident agrees to absolve and hold the University harmless for any damage or claim for the abandoned property due to the damage, destruction, disposal or donation of such property.

11.0 NC STATE'S LIABILITY:

NC State has no responsibility for the loss, damage or theft of property belonging to or in the custody of the resident for any cause whatsoever. Residents are encouraged to carry personal property insurance. Failure of utility services shall neither render NC State liable for inconvenience to resident or damage to property, nor reduce housing costs, nor relieve residents of obligations under this Agreement. Utility services may be reduced or cut off during breaks and prolonged vacation periods.

12.0 TERMINATION OF AGREEMENT BY NC STATE:

12.1 NC State reserves the right to terminate this Agreement and take possession of the room or apartment at any time for violation of this Agreement, applicable community standards, the Code of Student Conduct, and/or for reasons of order, health, safety, discipline, academic deficiency, disciplinary suspension or dismissal, failure to meet eligibility requirements or when the resident exhibits disruptive behavior.

12.2 Residents whose Agreement is terminated by NC State are responsible for payment of all housing costs under this Agreement and any other previous housing balances.

12.3 When a resident changes rooms, cancels housing after check in, withdraws, or is separated from the university or its residences for any reason, the resident will remove all personal belongings from the university premises, vacate the residence and return key(s) within 48 hours.

12.4 NC State may terminate this Agreement on an interim basis, in which case the resident shall be responsible for housing costs during the interim termination period. Residents whose agreement is terminated on an interim basis must vacate the facility and surrender all keys, fobs, or other access devices.

12.5 Following NC State's termination of this Agreement, residents must follow all check out procedures and, upon vacating the facility, must surrender all keys, fobs, or other access devices.

12.6 Academic Suspension: University Housing will contact suspended students by email. The student will have three (3) business days to inform the Assignment's office of any errors or issues that may be cause for reinstatement. Students failing to respond by the deadline will have their current and future housing assignment / application terminated. Appropriate termination charges shall apply. Students missing the deadline may request to have their applications re-activated and placed on the waiting list.

12.7 The action of termination of the Agreement by NC State cannot be appealed.

13.0 TERMINATION OF AGREEMENT BY RESIDENT:

13.1 The resident may terminate this Agreement by completing the online Cancellation Request Form in MyPack Portal. Appropriate termination charges shall be assessed. All termination fees are in effect once an applicant is assigned to housing, accepts a housing offer or selects a space during the annual room selection process (as an individual or as part of a roommate group). Only University Housing may process

an on-campus housing termination. Failing to move into a residential facility does not release the resident from this Agreement.

13.2 The resident pays daily charges if this Agreement is canceled for one of the following reasons: Co-op, Internship, National Student Exchange, International Student Exchange Program, non-registered, official withdrawals, academic suspensions or employment ends.

13.3 Residents requesting to cancel housing to move off campus after check-in must vacate housing within 48 hours of the cancellation date indicated in the request to cancel.

13.4 Cancellation Fees - Residents who are assigned or select housing through a manual or on-line housing process, or are part of a roommate group during an online room selection process, have 24-hours from the time of the selection, assignment or acceptance of housing to cancel their housing assignment without penalty. The 24-hour policy does not apply if a resident checks into the space or otherwise occupies the space during that 24-hours. Canceling a housing selection during any part of the Room Selection Process removes the resident from the Room Selection Process for that year. The cancellation policy does not apply to freshman housing assignments because of the Freshmen Residency requirement. Cancellation fees are assessed based on the dates indicated on the [Cancellation](#) website.

14.0 GREEK VILLAGE WAIVER:

NC State agrees to suspend the resident's obligation to this Agreement if the resident moves into a fraternity or sorority house in NC State's on-campus Greek Village. The resident and Fraternity and Sorority Life must provide documentation that the resident will reside in Greek Village. Residents will continue to be charged daily rates until the resident completes the check-out process for their residence hall or apartment. This provision does not apply to residents moving into off-campus fraternity or sorority houses, who will be charged a cancellation charge. New first year students are not permitted to move into on campus Greek Houses until the spring semester and are not able to move into off-campus fraternity or sorority houses during the first year.

NC State will not be responsible for any loss or damage to resident, and will not be deemed in default of this Agreement, as a result of any delay or failure to perform any terms or conditions of this Agreement or modification to accommodations due to any Force Majeure Event.
