

# 2025 NCSU Intern Housing FAQs

NC STATE

University Housing  
Conference  
and Guest Services

## Who is eligible for your Summer Intern Housing?

To be eligible for Intern housing, guests must be currently enrolled in a degree-seeking program at an accredited post-secondary institution AND actively participate in an internship, co-op, research, or educational summer employment opportunity in the greater Raleigh area for the duration of their stay. Proof of student status and/or internship verification is required upon application. You will be asked to submit a current transcript and offer letter of employment to submit your application. NC State reserves the right to contact the Intern's primary educational institution and/or internship site/supervisor for verification of enrollment and/or employment. In compliance with NC State's regulation regarding minors on campus, interns must be, at minimum, 18 years of age upon their scheduled date of arrival. There is a minimum of 30 consecutive night requirement to be eligible for Intern housing.

## What are your 2025 Intern Housing Dates?

Our 2025 summer intern housing dates are Tuesday May 13<sup>th</sup>, 2025-Wednesday July 30<sup>th</sup>, 2025. Arrivals prior to 8:00 AM on Tuesday, May 13<sup>th</sup> are not possible. We have a HARD move out date of 10:00 am on July 30<sup>th</sup>, 2025. Extensions past 10:00 AM on July 30<sup>th</sup> are also not possible.

## Where are your apartments located?

We offer 4 bedroom apartments at [Wolf Village](#) and [Wolf Ridge](#). Wolf Village is closer to main campus, while Wolf Ridge is located on our Centennial campus. Please click the above hyperlinks to see more details/virtual tours of each space. You may be placed with up to 3 roommates in your 4 bedroom unit.

## Can I request a single? Do you have 2 bedroom or 1 bedroom options available?

Unfortunately no. We only offer 4 bedroom units for our intern housing. If you have a disability request that requires you to live by yourself or to have your own bathroom, please list this in the "special accommodation" area of your application, and we will go through the appropriate approval process internally with the documentation needed to justify the request through OIED. Please note this process can take up to 30 days for approval.

## How much does intern housing cost? Is there a minimum number of nights?

Our intern housing costs \$35 per person, per night, with a 30 night minimum.

## How do I apply?

Our application will be live in January of 2025. Please check back on our website for the link when we are live. You will need to create an account via Starrez to apply. Keep this email address and password handy as it will be how you access your application, make payments, and access additional campus resources while you are here. When you get to the short stay selection page, please select "Summer Intern Housing" from the drop down menu.

## Is there a cost to apply?

Yes. There is a non refundable \$100 application fee to apply for intern housing. We rarely run out of space, and will update this website if we reach capacity before mid April of 2025. If you apply for housing and we have hit capacity and cannot accommodate your stay, we will refund you your application fee.

### **I am an NC State Student. Can I apply for Intern housing?**

No. If you are an NC State student, and you need summer housing, please apply for housing via the housing portal on mypack, as you would for the academic year semesters.

### **Do you run out of space quickly? How early should I apply?**

We have ample space available for interns over the summer and rarely run out of space to offer. Please apply as early as you know you need space. If you cancel your application, you will not be responsible for any cancellation charges, but will not get your \$100 application fee back.

### **What is included in each apartment?**

Each location comes fully furnished, but you will need to bring your own kitchenware, linens, etc. Included in your unit:

- Fully air-conditioned apartments
- 4 private bedrooms and 2 shared bathrooms
- Full-Size Beds
- Desk with desk chair
- Kitchen with microwave, stove/oven, and refrigerator
- Washer/Dryer in each Apartment
  - (*Wolf Village Only.* Wolf Ridge has Washer/Dryer rooms in each building, but not in each apartment.)
- Ceiling Fans
- Shower Curtains & Trash Cans

### **Is there a gym I can go to?**

Wolf Ridge and Wolf Village both have an on-property gyms that you can use during your time residing with us on campus over the summer. If you would like to purchase a non-student membership to the NC State Carmichael gym, you can do so for \$0 for the full summer, or \$40 for half the summer. Carmichael will ask to see your access card that you will receive upon check in, and the confirmation email with your housing assignment. All memberships can be purchased in person at the Wellness and Recreation Center main entrance, across from Talley Student Union. If you have any questions, please call (919) 515-7529 or email [wellrec-info@ncsu.edu](mailto:wellrec-info@ncsu.edu).

### **How does internet work? Is there free wifi?**

Yes, anyone staying in intern housing will be able to log into the "ncsu guest" wifi here on campus at no cost. Unfortunately, this does require a sign into the network every day. If the University you attend utilizes the "eduroam" network, you should be able to access that here on NC State campus as well. Unfortunately we do not have the capability to create unity id's for students to access our home "ncsu" network during your time here on campus with us.

### **My significant other also has an internship in the area. Can we live together?**

We must assign our spaces by the gender listed on your application, and cannot mix the two. If you are legally married, we can house you together in a special exemption, but you will be asked to show documentation of your union.

**I work for a company that offers internships/research experiences for students in Raleigh. We would like to cover the cost of our interns to live on NC State campus. Is this possible?**

Yes, please e-mail [intern-housing@ncsu.edu](mailto:intern-housing@ncsu.edu) and we can create a contract for you. If you reimburse your students for cost of living individually, they can simply apply through our reservation process themselves, but they would still be responsible for the \$100 application fee. If you would like to request that they live together, just ask them to enter that information in the "special accommodations" portion of the application. If you would like to avoid each participant having to pay our application fee, we can create a contract for you that will void the application fee if you are housing more than 5 students with us. Anything under 5 students will still see a \$100 application fee per student. If you are an internal NCSU department hosting REU students or a conference, please fill out our [REU Enquiry form](#) or reach out to [guestservices@ncsu.edu](mailto:guestservices@ncsu.edu) for details on those reservation processes instead. These rates and availability details are different.

**When do I need to cancel? Are there any cancellation fees?**

We kindly ask if you need to cancel your application, to let us know 14 days prior to your check in date. We will keep your \$100 application fee. If you have already paid for your entire stay, we will refund you that payment.

**Can I make changes to my application after I apply?**

Yes! You can make adjustments to your application up to 14 days prior to your check in. These must be done in writing to [intern-housing@ncsu.edu](mailto:intern-housing@ncsu.edu). We will begin making room assignments on April 15, so if you have any adjustments to roommate requests, preferred housing location, or special accommodations added to your application past that date, please e-mail [intern-housing@ncsu.edu](mailto:intern-housing@ncsu.edu) to ensure we have seen your request. We will do our best to honor any changes!

**How can I find roommates? If I don't know anyone, how do you assign them?**

After you apply, your confirmation email will include a link to invite to our 2025 Intern Housing Facebook group that you can utilize to help you connect with other interns. If you do not select a specific person on your application, we will use the answers in to your "lifestyle questions", as well as your age, to best place you with other students.

**How long will it take to know I have a confirmed space?**

After you apply, we should be able to get a confirmation e-mail your way within one week of your application. Please note that we do not have staff sending emails on the weekends.

**How will I check in/out of my assignment?**

After you apply your confirmation email will included check in details. Our service desks at each location will be open from 8:00a.m.-8:00 pm every day through May 13-July 30. Please plan your travel accordingly. If your travel plans prohibit you from arriving within these time frames please let us know in advance so that we can organize an after hours check in for you which can be approved on a case by case basis.

**How do I pay? Can I pay in installments?**

Payment **in full** must be completed 7 days prior to your check in. We will not accept partial payments. We will open this portal for payment on **May 1**, and it will be accessible to pay via CC on your Starrez account that you create during your application.

### **I have a special accommodation. How can you accommodate this?**

If you have any special accommodations we should know of in regards to your housing assignment (ADA accessibility, DRO requests, ESAs, etc.) please make sure these are detailed out in your application. These will need to go through an internal approval process through OIED with NCSU. Please e-mail [intern-housing@ncsu.edu](mailto:intern-housing@ncsu.edu) if you have any questions. We should be able to accommodate most, if not all DRO requests pending proper documentation. Please note that these requests may take up to 30 days to approve.

### **I will be bringing a car. How do I request a parking permit? How much do they cost?**

Parking is enforced Monday-Friday, 7am - 5pm. A permit is required to be parked on campus during these hours. As a summer resident, you are eligible for a Summer Parking Permit valid in the Residential parking areas surrounding Wolf Village or Wolf Ridge, respectively. Permits are VIRTUAL and are associated with a single License Plate number. You will not receive a physical permit or decal.

We are currently waiting on parking to determine the rate for 2025 season. In 2024, the pass was a flat \$75 for the entire summer. Redemption details will be included in your confirmation email. Backing into spaces is prohibited on campus so that license plates are readable by our parking enforcement team.

### **I am traveling from a far distance and will need linens. Do you provide any?**

Unfortunately, we do not provide linens for our Intern Housing. Please plan your travel accordingly to either bring linen with you, or plan to purchase when you arrive.

### **Is there a dining plan I can sign up for over the summer?**

Unfortunately there is not a dining plan for interns, but interns and the general public are welcome to eat at and of the dining establishments on campus and pay via CC on premises. Note- we are a cashless campus.

### **Can I send packages to my assignment? What will my mailing address be?**

Yes, you can send packages to yourself during your time on campus. Your mailing address will be provided to you when your assignment has been finalized. Please note that any mail or packages received prior to your arrival (or after your departure) at Wolf Village or Wolf Ridge will be refused and returned to sender. Please do not ship packages or send mail to yourself prior to your arrival at NC State.

### **Is there anything I am NOT allowed to bring with me?**

- Pets, of any kind. If you have a service animal or ESA please ensure they are listed in the special accommodations portion of your application. This can take up to 30 days to approve.
- Appliances exceeding 1800 watts or 15 amps
- Hot plates, deep-fat fryers, toasters, or other open coil appliances
- Lava lamps or halogen lamps
- Candles of any kind
- Fireworks, explosives, flammable materials, firearms, ammunition, weapons, or other objects which are potentially harmful to the physical welfare of other inhabitants.
- Extension cords or multi-plug adapters. Surge protectors are allowed!
- NO SMOKING or Vaping in or within 25ft of any NC State building!
- Zero tolerance drug policy, and NO alcohol for any individual under age 21
